

Petroupolis Project

Living & Dining Room

This minimal apartment embodies simplicity and elegance in a harmonious blend of white and earthy tones. The space is thoughtfully designed with clean lines and uncluttered surfaces, creating a sense of serenity. Natural light floods the rooms, enhancing the spacious feel of the interior.

Living Room

The furniture is sleek and ergonomic, maximizing both comfort and functionality without sacrificing style. A neutral color palette of whites, beiges, and soft browns creates a warm and inviting atmosphere, while pops of green from indoor plants add a touch of nature to the space.

Master Bedroom

Every element has been carefully chosen to create a sense of balance and harmony. It is a sanctuary of simplicity and beauty, where form meets function in perfect synergy.
